Tumkur District:

Arrack. Maddur shows a small decrease.
The result of the Sales is otherwise
Satisfactory.

Toor. There is a large decrease of Rs 9618.
The decrease of nearly Rs 1000 in
Soya is unexplained.

The decrease of Rs 6114 in Maddur
is explained as due to the closure of
the Agrahara tank works and that of
Rs 5817 in Kunigal to 12 shops
having been reserved.

Dry Sales - Satisfactory.

Mysore District.

Arrack. The result is on the whole
Satisfactory ~~but~~ showing an
increase of Rs 1805. Nanpurgid,

Channarayana, Udattore
and Mandya have together
lost more than Rs 1000.

The decrease in Nanpurgid
and Channarayana being

General and Revenue

No.

Comparatively large need to explanation which is not furnished.

Toddy - The result is on the whole unsatisfactory. There being a net decrease of nearly Rs 12500. Excepting Mandra, Malvalli & T. Narripur all the rest have lost. Chamarajapur being the worst being Rs 5586, next comes Nanungud Rs 2556, next Yalandur 2618 & next Yadatore 1445. These decreases are explained as due to guarded competition on account of loss sustained by the previous contractors. The decrease in the Taluk (except Seringapatam where 3 shops have been reserved) has not been explained.

Drug Shops. The result is Satisfactory. It is not known why Seringapatam should be so slow in reporting the result of sale of its shops.

1. Recorded.

Order no 28. 966 of 18th August 1904
S.R.5-03

2. The result is on the whole satisfactory, there being a total increase of Rs.20,529-8-0 for the whole state over the Excise sale proceeds for the past year of Rs.14,54,620-14-0.

3. The results for the Kolar Districts are particularly good, the increase under the three heads of Arrack, Toddy, and Drug shops, aggregating the large sum of Rs.49,395-8-0.

4. The Bangalore District comes next, the increase there amounting to Rs.18,877-0-0 over the sum of Rs.2,75,806-0-0 as realized in the past year. There comes Kadur with a small increase of Rs.2,919-4-0 over Rs.7750-4-0 of the last year.

5. The sales in the other five districts of Mysore, Shimoga, Tumkur, Hassan and Chitaldrug show somewhat unsatisfactory results, as there has been a decrease in them all. This

decrease

decrease is prominent in the Chitaldrug and the Hassan Districts the fall there being Rs.19,834 and Rs.11,931 respectively, @ against Rs.1,45,881 and Rs.1,26,151-8-0, realized for the past year. In the remaining three districts of Mysore, Shimoga and Tumkur, Rs.3,25,050, Rs.60,182-14-0 and Rs.2,23,961-8-0 were realized against Rs.3,31,448, Rs.66,301-14-0 and Rs.2,30,311-4-0 in the past year.

6. One noticeable feature about this heavy decrease is that it is, in all the districts noted above, confined to the sales of date and Bagani Teddy shops. This fall is said to be due to the fact that in many cases a very large number of these shops had to be reserved for want of proper bids at the sales which again is reported to be due, in some cases, to the loss sustained by the contractors of the last year. This ~~explanation~~ explanation is plausible and it is hoped that this result was was not due to any want of proper and reasonable exertion on the part of the officers by whom the sales were conducted. The Excise Commissioner will satisfy himself on this point and also report the result of the sales of the reserved shops.

~~7. In my humble opinion this is unnecessary. The Annual Administration Report seems to be the proper place for record of appreciation.~~
